

DUTCH CHAMBER
OF COMMERCE IN
THE PHILIPPINES

Dutch Chamber of Commerce in the Philippines

Mission and Vision

Mission

“To bring together passion, spirit, knowledge and skills to establish and strengthen business ties within the Philippines-Netherlands business community.”

Vision

“DCCP functions as the official gateway to, a platform for and the voice of the Philippines-Netherlands business community”

Objectives DCCCP

- Promote and create business opportunities and strengthen relations and cooperation between The Philippines and The Netherlands.
- Establish a formal channel of communication with its counterparts in The Netherlands and with other agencies and organizations concerned in the promotion of Philippine-Netherlands economic and business ties.
- Identify trade and investment opportunities and develop other areas of cooperation between small, medium and large enterprises in The Philippines and The Netherlands.
- Foster friendship and understanding between business communities of The Philippines and The Netherlands in general and to establish closer cooperation which will enhance the growth of business between the two countries and exchange information about industry and commerce.
- Assist its members in establishing and strengthening business contacts through the organization of events such as seminars, exchange of trade groups and participation in trade fairs.

Establish and Strengthen Business Connections
